

# The AUTOGRAPHING PROGRAM at BookExpo 2006...

BookExpo's Autographing Programs provide attendees the opportunity to meet 'one-on-one' a wide variety of authors including the best-selling authors of the latest and hottest new books across many varied categories. A BEA highlight for years, Autographing will feature over 500 authors anxious to autograph their book for you!

*Friday, May 19 - Sunday, May 21*

The Traditional Autographing Program will again present the best authors signing their newest releases in the Autographing Area! And new this year, the Traditional Autographing Area will be open Sunday morning! From the first-time published new author to some of the best selling authors of all time, you will be able to meet them in the Autographing Area in the upstairs exhibition hall. Many booksellers have credited the autographing program for helping them discover some of the best new works at BEA each year.

In addition to presenting a wide variety of books at all times, Autographing highlights genres of special interest at specific times, allowing attendees to meet authors of most interest to them. This year, we will be featuring the following "Salutes":

**Ticketed Authors** - For specific celebrity authors, a limited number of complimentary tickets are distributed on-site each morning on a first-come basis. For these authors, a ticket is required to obtain an autographed copy of the book. This is done to ensure that crowds don't exceed the number of books that the author has available for signing. These authors are shaded in gray on the following schedule. Attendees are limited to a total of four tickets per day and one ticket per author. Distribution for Friday tickets will begin Friday morning at 7:00 a.m. in the lower lobby of the Convention Center and will continue in the autographing area at 9:00 a.m. if any tickets remain. Saturday tickets will not be distributed until Saturday morning. These are the only authors requiring a ticket; all others are on a first-come basis; one autograph per person. (Note: No outside materials will be autographed by any authors.)

**The Autographing Program is open to any registered Attendee as part of your BEA Show Pass.**

**The Gold Pass Program** – To support the Book Industry Foundation, a \$1 per autographed book is requested in the Autographing Area. Attendees may choose to participate in the Gold Pass Program, which covers all of their autographed books with a one-time donation of \$25. In addition, the Gold Pass Program offers several additional benefits to enhance your autographing experience such as a 'Front of the Line Pass,' a 'one-time' pass allowing you to bypass the crowd and go to the front of any one author's line. (Check the appropriate box on your registration form and add your \$25 tax-deductible contribution.)
