Another Indie Favorite

The Summer That Melted Everything: A Novel, by Tiffany McDaniel (St. Martin's Griffin, \$15.99) "In the summer of 1984, a series of disturbing events in Breathed, Ohio, are attributed to the arrival of a 13-year-old boy named Sal who claims to be the devil. Gossip and superstitions, exacerbated by the sweltering heat, turn the villagers against Sal. Only the family of the local prosecutor welcomes the boy, who is befriended by their son, Fielding. Through beautiful imagery and rich characters, McDaniel offers an original meditation on what is right and wrong, good and evil, in a magical, heart-wrenching, and unforgettable novel." —**Pierre Camy, Schuler Books & Music, Grand Rapids, MI**
