OTHER HARDCOVER INDIE FAVORITES

The Heart in Winter: A Novel

Kevin Barry, Doubleday, \$28

"I found this story of two young lovers on the run in 1890s Montana to have the grit of a Cormac McCarthy novel, and the adventure and peril found in *Cold Mountain*. I expect this stunning novel to stay with me for a long time."
—Linda Grana, Reasonable Books, Lafayette, CA

State of Paradise: A Novel

Laura van den Berg, Farrar, Straus and Giroux, \$27

"Unnerving, odd, sometimes spooky, sometimes very funny. Here is a world of warped reality — by grief, by pandemic, by Major Weather Events, by technology, sometimes even by our own minds. This is one of Laura van den Berg's best."
—Santiago Nocera, Greedy Reads, Baltimore, MD
