Indies Introduce 📖

OTHER HARDCOVER INDIE FAVORITES

Under the Eye of the Big Bird: A Novel
Hiromi Kawakami, Asa Yoneda (Transl.), Soft Skull, \$27
"What will the world look like when humanity is near its end? In short glimpses, this book gives us insight to small groups of people and how they live and survive in an ever-changing, increasingly dystopian world. This is speculative fiction at its best."
—Miranda Myers, Changing Hands, Tempe, AZ

The Night Guest
Hildur Knútsdóttir, Mary Robinette Kowal (Transl.), Tor Nightfire, \$19.99
"Why are we all so tired all the time, even after sleeping for a full night? For one woman, the answer is much darker and tied into family history and the misdiagnosis of doctors. A compelling novella that demands to be read in a single sitting."
—William Carl, An Unlikely Story, Plainville, MA
