

BANNED BOOK BINGO!

| | | | | |
|---------------------------|--------------------------------------|--|--|---|
| Accurate American History | WITCHCRAFT? | Literal Sex Education. | By an Asian Author | Black History |
| By an Indigenous Author | By a Black Author | Encourages Social Emotional Learning (Yes. Empathy.) | Gay Gay Gay Gay Gay | By a Jewish Author |
| Gasp! Sex! | Feminism? Oh No! | Authors Against Book Bans | About Racism | From Pen America or ALA's most banned books of 2024 |
| Single Sex Parents | Climate Change is Real | By a Queer Author | By a Disabled or Neurodivergent Author | Visible Bisexuality |
| By a Muslim Author | By a Transgender or Nonbinary Author | Would give a Moms for Liberty Member a Nosebleed | Lesbians! | By a Latinx Author |

DIRECTIONS: Celebrate Independent Bookstore Day by visiting your favorite local indies and finding the kinds of books that are commonly banned. Book bans happen in all fifty states, and target everything from BIPOC stories and authors, LGBTQ+ stories and authors, basic historical scholarship, sex education, feminism, to the very concept of empathy. These bans are a blight on our public institutions of learning, and on our communities who deserve so much better. So. Find some great books. Support your local indie. And post pictures of the good times you had with the hashtag #ReadFreely. Be sure to tag the local indies where you snapped the pics!

Prizes available at participating stores.
